

Certificate of Appreciation

awarded to

The International Science and Technology Center
(ISTC)

on the occasion of the ISTC 15 year anniversary

The IAEA would like to express its appreciation to the ISTC for its continuous efforts in support of innovative scientific and technology projects aimed at preventing nuclear proliferation and the proliferation of other weapons of mass destruction.

Nikolai Khlebnikov
Director
Division of Technical Support
Department of Safeguards

Olli J. Heinonen
Deputy Director General
Department of Safeguards
